

AMENITY GUIDE

Target: airbnb guest information sheet template

Coffee Station Operation Cheat Sheet

Explaining a coffee station on an Airbnb guest information sheet requires a localized, step-by-step visual cheat sheet placed directly next to the espresso or drip machine. This prevents expensive equipment jams, reduces guest frustration early in the morning, and guarantees a premium hospitality experience that drives five-star reviews.

Implementation Outline

1

Hardware Loading Sequence

4-step diagram showing water fill limits, pod insertion, and extraction.

2

Troubleshooting FAQ

A quick 'If X, then Y' table for common brewing errors.
